Market Value,

Your explanation of the term "Fili-pines," in your issue of the 21st instant is slightly roundabout, to say the least. The real reason is that the natives of the The real reason is that the natives of the "Philippine Islanders," and all in English "Philippine Islanders," and in Spanish "Filipinos," which term they, as Spanish-speaking people, use amongst themselves. For this reason, and from the fact that the word is much shorter than its English equivalent, the Spanish word has been generally adopted. This, of course, is not meant as disputing your etymology.

What Sulphur Does

For the Human Body in Health and Disease

The mention of sulphur will recall to many of us the early days when our mothers and grandmothers gave us our daily dose of sulphur and melasses every

mothers and grandmothers gave us our daily dose of sulphur and molasses every spring and fall.

It was the universal spring and fall "blood purifier," tonic and cure-ail, and, mind you, this old-fashioned remedy was not without merit.

The idea was good, but the remedy was not without merit.

Nowadnys we get all the beneficial effects of sulphur in a palatable, concentrated form, so that a single grain is far more effective than a tablespoonful of the crude sulphur.

In recent years, research and experiment have proven that the best sulphur for medicinal use is that obtained from Calcium (Calcium Sulphide) and read in drug stores under the hame of Stuart's Calcium Wafers. They are small chooslate-coated pellets, and contain the active medicinal principle of sulphur in a highly concentrated, effective form.

Few people are aware of the value of this form of sulphur in restoring and maintaining bodily vigor and bealth: sulphur acts directly on the liver and excretory cryans, and purifies and enriches the blood by the prompt elimination of waste material.

Our grandmothers linew this when they

phur acts directly on the liver and exergence for yorkans, and particles and erriches the blood by the prompt elimination of waste Our grandenothers knew this when they doed its with suiphur and molasses every spring and fall, but the crudity and impurity of ordinary flowers of sulphur were stens worse than the disease, and cannot compare with the modern concentrated program with the modern concentrated and most widely used.

They are the natural antiduct for liver and kidney troubles, and cure consultation and purify the blood in a way that often curprises patient and physician with sulphur remedies, soon found that the sulphur from Calcium was superfer to any other form. He says: "For liver, kidney and blood troubles, especially when resulting from constipation or malaria, in lave been surprised at the results obtained from Stuart's Calcium Wafers in four or five days, leaving the spent in four or five days, leaving the signature, and the sumble to distinct the control of the sumble of the sum

Head Ache Sometimes?

If so, it will interest you to know that it can be stopped with Dr. Miles' Anti-Pain Pills; and without any bad after-effects, and this without danger of forming a drug habit or having your stomach disar-ranged. They positively contain no opium, morphine, cocaine, chloral, ether or chloroform in any form. Dr. Miles' Anti-Pain Pills relieve pain, and leave only a sense of relief. The reason for this is explained by the fact that headache comes from tired, irritable, turbulent, over-taxed brain nerves. Anti-Pain Pills soothe and strengthen these nerves, thus removing the cause. They are harmless when taken as directed.

when taken as directed.

"We use Dr. Miles' Anti-Pain Pills for the cure of headache, and we think that there is nothing that will equal them. They will cure the severest spell of nervous or sick headache in a very few minutes. I am of a nervous temperament, and occasionally have spells when my nerves seem to be completely exhausted, and I tremble so I can scardely contain myself. At these times I siways take the Anti-Pain Pills, and they quiet me right away. It is remarkable what a soothing effect they have upon the nerves."

in some of the larger northern and western cities. Mr. L. T. Christian, sec. of

the State Board of Embalmers of Va., can give you any further information you

A Ditch Problem. A and B contract to dig a ditch 100 feet long for \$100. A digs the easier end at 87% cents per foot and B the harder end at \$112% per foot. How much must each man dig so as to have \$50 apiece?

This problem is in its statement impossible. To divide the ditch into unequal parts and pay 8714 cents per foot for one and \$1.1214 for the other is not paying an average of one dollar per foot. That is, there is a larger number of feet at the down. Another way of seeing that the question is impossible is that we are rejuired to find two quantities, x and fulfilling the three conditions: x + y = 100 $36 \times = 50$, and 9-8 y=50. The problem is thus seen to impose three independent conditions upon two unknown quantities.

About Chafters.

About Chatters.

If a Charter is granted A. B. and C., about the first of April, 1905, for the purpose of conducting a merchandise business and they having falled to go into business as yet, and no organization affected, will they be required by law to pay a orgistration fee, and franchise tax; Chartered with and Authorized stock of not less than \$500, nor more than \$10,000. If such tax and fee is to be paid, how much, and when due?

AN OLD SUBSCRIBER. AN OLD SUBSCRIBER.

The registration fee and franciscs tax, under sections 41 and 43, of the tax law are pirvilege taxes assessed against the charter of a company, and are to be paid in order to keep the charter in existence. Section 43 of the tax law prescribes per alties for fallure to make a report and sub-section 5, of section of the tax law, provides that "the failure of any corporation for two successive years to pay its annual registration fee or to make such report, tinued for ninety days after the expiravocation and annulment of the charter of such corporation," etc. For a company, the maximum capital stock of which is ten thousand, the annual registration fee ls \$5.00 and the annual State franchise tax is \$10.00, making a total of \$15.00 an-

nually.

1. If a merchant has license to sell goods at his store and employs a man to run a wagon to buy up eggs, butter, etc., has he a right to solicit orders for goods deliverig them on the next trip, and receive his pay? Or will he be required to take out peddiers license?

2. If A and B join land, and a valuable tree stands on A's side of the line, and at six feet high the tree stands over on B's side, whose tree is it?

Merchants have the right to solicit orders for goods, through their employees,

ders for goods, through their employees, go back to place of business, get the goods and deliver and collect for them. 2-The tree belongs to the land in which

The Road Tax.

The Road Tax.

1. Does the law require the road tax to be kept separate from the county levy? If it does, it is not done in this county.

2. Does the law require the rad tax money to be spent in the district where it is collected? Who has the management of the money?

3. If the commissioner of roads will not work on a road that is in very bad condition, what steps should be taken to compel him to work it?

4. There are more than thirty children in this, neighborhood of school age, and there is a good schoolhouse; still the trustees have sent no teacher. What redress have the parents in such a case?

TAX PAYER, Bent Creek.

1. The general road law authorizes the was a teacher and the founder of Mount Holyoke, female seminary, of which she was principal.

1. The general road law authorizes the board of supervisors to impose a general 2—Baracca is road tax upon the property of the county. the building and repairing of bridges, the payment of cost and damages incident to the alteration of roads or the establishment of new roads and landings, the purchase of road graders, scrapers, &c.; and after the payment of the all said expenses, it any of the said fund remains unexpended, it provides that the same may be apportioned to the several magisterial districts in the proportion of the taxes paid by the district, and this would necessitate the keeping of the general road fund separate and distinct from

2. The law authorizes boards of super-visors to levy a tax in each magisterial district for road purposes, and the amount is to be expended in the improvement of roads in the particular district, and this fund should be kept separate from the levy for general county purposes, And the same is under the control of the board of supervisors. 3. Resort should be had to the grand jury.

gress at Woodstock.

(Special to The Times-Dispatch.)
WOODSTOCK, VA., February 24.—This year promises to be one of the most pro-gressive in the history of Woodstock, gressive in the history of Woodstock. At the present there are from twelve to affeen dwelling houses under erection or about to be commenced, in addition to the new jail for Shenanhont county, and the large buildings for the accomodation of the Woodstock Knitting Mills, which was recently chartered, and for which all the stock has been subscribed. Several dwellings have recently been completed, as well as the new Methodist Episcopal Church. South, which will be opened on the first Sunday in March, at a cost of \$15,000 or \$19,000. As a result of this increased building, carpenters are greatly in demand at good wages, and the demand is greater than the supply.

Mr. J. W. Hawkins, of Missouri, is visiting relatives at Hawkinstown, Shenandoah county.

Mrs. A. L. Jamison, and Master William Ford, of Luray, are the guests of Dr. and Mrs. W. C. Ford, of Woodstock. The Board of Supervisors of Shenandoah county, are bidding for a tract for creet a new county fall at Woodstock. On next Monday bids will be received for the removal of the high stone wall around the old jail yard, which will be removed at once, in order to prepare the ground for the new building.

The plans and specifications for the new jail have been accepted, and show a very destrable effect. It is expected the jail will cost from \$10.000 to \$12.000. After the work has been started every effort will be made to rush the building will be cleared up and put in a lawn. The building which will be demolished, was creeted early in the eighteenth century, and is one of the landmarks of the place.

The annual celebration of Washington's birthday, which is held under the auspicees of the Martha Washington Tea Party of Emmanuel Lutheran Church, of this place on Thursday and Friday, who were treated to a splendid programme consisting of solos, recitations, farces, etc.
